- Steep learning curve in corporate finance, valuation and strategic thinking
- Broad exposure to a vast array of industries
- The opportunity to fully contribute to the successful origination and execution of M&A transactions

Your role:

- Lead role in the preparation of marketing documents such as confidential information memorandums and management presentations
- Process management in diverse and complex transactions incl. buyer handling and due diligence
- Performing financial analyses and valuations
- Support in generation of new business opportunities
- Leading and developing junior bankers

You offer:

- Master degree in Business Administration or Economics with excellent academic credentials from a leading university
- 3-5 years of M&A experience at a renowned institution
- Thorough practical understanding of all stages of an M&A process
- Strong corporate finance skills with fluency in all key valuation methods
- Desire to succeed in a fast-paced and entrepreneurial environment
- An excellent command of German and English
- Excellent analytical and communication skills
- Confidence and an outgoing manner
- Flexibility, reliability and stamina with a high attention to detail
- Fondness for dogs to cope with our office dog

We look forward to receiving your detailed application:
