

# Internship Mergers & Acquisitions

based in Frankfurt, 3-6 months from January 2021 with the opportunity for strong performers to join the team as full time Analysts

Lincoln International is a leading international and independent mid-market Investment Bank with over 530 employees in 21 offices worldwide. We advise public and private corporations, private equity as well private individuals on Mergers & Acquisitions, debt raising and restructuring. With our origins in Chicago, Lincoln International is today the fastest growing global mid-market Investment Bank.

In Frankfurt, our team comprises over 50 professionals covering a very broad range of sectors, including Industrials, Consumer Goods, TMT, Transport and Logistics, Business Services, Healthcare, Chemicals, as well as Debt Advice. We consistently rank high in M&A league tables, we are the No. 1 advisor for private equity sell-sides globally, but also consistently the No. 1 in German M&A sell-side transactions. In 2018, Lincoln International successfully advised on 135 transactions worldwide of which 29 were in German-speaking Europe.

To support our well established and still expanding team in Frankfurt, we are looking for **driven students with a personality** who would like to spend a **3-6 months internship** with us, specifically for the period commencing **September 2020 and beyond**.

## We offer:

- Unrivalled deal flow and the corresponding learning opportunities that arise from this
- A true 'mid-cap approach', working in small deal teams with extensive exposure ranging from marketing efforts and origination to live projects/execution of M&A transactions
- Introduction to a vast array of industries
- Entrepreneurial spirit and flat hierarchies, which will mean significant team exposure for interns and the opportunity to make a valued contribution
- A steep learning curve in corporate finance, valuation and strategic thinking
- Mentoring Programme, onboarding sessions and ongoing structured feedback
- Development Support through Wallstreet Prep
- For strong performers the opportunity to join as **full time Analysts**

## Your role:

- Conduct market, industry and company research
- Carry out company analyses, including valuations
- Prepare marketing documents and pitches
- Support in the preparation phase of deal execution: drafting of information memorandums, teasers, identification of potential buyers universe, etc.
- Support in the due diligence phase of deal execution: management of data rooms, Q&A processing etc.

## You offer:

- A strong academic record with a minimum of 4-5 completed semesters at university, ideally at a late stage of your studies if you would like to join permanently following the internship
- At least one successfully completed Corporate Finance internship
- An interest in companies, sectors and M&A
- Excellent analytical skills and attention to detail
- A self-starting mentality, drive for achievement and personal growth
- Flexibility, reliability and stamina
- Confidence, strong communication skills and an outgoing manner
- Some previous international exposure is welcome
- An excellent command of German and English
- A sense of humour!

We look forward to receiving your **covering letter, CV and relevant supporting documentation**, including envisaged timing **stated clearly in the subject line of your email application**, at: [hr-fra@lincolninternational.de](mailto:hr-fra@lincolninternational.de)
